LB 804

LB 804. All those in favor vote aye, opposed vote no. We are voting on the committee amendments to LB 804, have you all voted? Have you all voted on the committee amendments? Record, Mr. Clerk.

CLERK: 25 ayes, 15 nays, Mr. President, on adoption of the committee amendments.

SPEAKER BAACK: The committee amendments are adopted.

CLERK: I have nothing further pending to the bill, Mr. President.

SPEAKER BAACK: Senator Wesely, do you want to open on the bill?

SENATOR WESELY: I'd rather just close, if I could.

SPEAKER BAACK: Well, it is hard to do closing before we have opening, but we will go ahead.

SENATOR WESELY: All right.

SPEAKER BAACK: Senator Bernard-Stevens, did you wish to speak on the bill? Seeing no other lights, Senator Wesely...oops, Senator Chambers.

SENATOR CHAMBERS: Mr. Speaker, I will be brief because something has happened here this afternoon, and I don't think it can be reversed by anything I'll say at this point, but I am not going to vote for the advancement of this bill. If we don't advance it, it still is available for us to work on. With what it contains, there is no way that I, in good conscience, can vote for it. So I will be voting no.

SPEAKER BAACK: Thank you, Senator Chambers. Any other discussion? Seeing none, Senator Wesely, do you wish to close?

SENATOR WESELY: Thank you, Mr. Speaker. In good conscience, I shouldn't be voting for it either, but I am still going to because I think there is more good at this point, and my hope is that some of the other questions that have been raised in amendments we can talk about and work through on Select File. So I am going to ask for support to advance the bill and see where we take it from there on Select File.
